Auckland Port Congestion Surcharge

LCL Import Cargo

Dear Valued Customer ,

Due to the ongoing congestion issues at the Port of Auckland, shipping Lines calling Port of Auckland have introduced a Port Congestion Surcharge at a range between USD 200-300 per TEU, for all import containers arriving to and via the Port of Auckland.

For less than a container load cargo (LCL) charges will be as per below table:

Origin	Port of Discharge	Amount per w/m (USD)	Effective date
Australia	Auckland	12	ETA on/after 20th November 2020
Rest of the World	Auckland	12	ETA on/after 1 st December 2020

The congestion surcharge will be invoiced with the arrival charges.

The application of the fee is dependent on vessel operators' ongoing changes and announcements, and is therefore subject to changes.

We will continue to monitor the situation and keep you advised of further developments.

Thank you for your understanding and continued support.
